THE FOUR CORNERS OIL & GAS CONFERENCE

is a cooperative effort to promote technology transfer and regulatory awareness in the oil and gas industry.

To achieve this goal, our sponsoring organizations work together to bring you a two day conference of seminars pertinent to "what's going on now" in the industry.

Along with the conference, we also host an exposition for professionals to exhibit their goods and services. Call us today at 888-325-0279!

The Four Corners Oil & Gas Conference is brought to you by these six sponsoring organizations:

American Petroleum Institute-
Four Corners Chapter

American Society of Safety Engineers-

A Message from our Chairman:

On behalf of the Executive Committee, I would like to welcome you to the Four Corners Oil and Gas Conference.

We hope that you enjoy your time here in the Four Corners area and hope you enjoy the Conference! The Executive Committee has worked very hard to put together this Conference which we hope you will find informative and educational.

If you have any questions about the area or venue, please go to the Registration Desk where someone will be happy to help you. You may also get assistance from any of the Executive Committee Members. They will be wearing name tags and blue ribbons that say Committee.

Sincerely,

Karen M. Ortega
